DUTEMÄNN

exceeds expectations

To validate your extended warranty, please use our quick online registration service at:

www.dutemann.co.uk/register

You are fully covered in line with the guarantee terms and conditions (see website for details).

Such is our confidence in the quality of our bi-folding door, Dutemänn provide a 20 year mechanical parts guarantee.

Our products are manufactured with pride and care, but on the extremely rare occasion that a problem arises we ensure that it is rectified with as little inconvenience and hassle to the Customer as possible.

Once the installation of your Dutemänn bi-folding door has been completed, you **MUST** register your

product for the 20 year extended warranty otherwise you will not be covered. You can register online at www.dutemann.co.uk/register. You need to register your product within 21 days of the installation date.

When Dutemänn has processed your registration you will be issued with an insurance certificate number. Without this certificate number you are not insured therefore if you do not receive it within 28 days contact Dutemänn. If you have any questions, contact us on 01322 777213.
